

THE XTERRA GWYNNNS FALLS TRAIL RUN OCTOBER 28, 2007

The weather was crisp and the trees were just beginning to show their fall colors as 150 runners took their mark in Winans Meadow on October 28, 2007. Runners of all ages came out to experience the first Xterra Gwynns Falls Trail Run. Many runners, showing their holiday spirit, came out dressed in their Halloween finest. Batman mingled with the Jolly Green Giant; skeletons ran alongside fairy princesses; even a sumo wrestler made his way down the Trail.

The Trail Run was followed by bagels, fruit and coffee; games for the kids and a DJ to keep things lively. Charm City Run handed out medals to the top runners and the Gwynns Falls Trail staff awarded prizes to a few of the best dressed!

We would like to thank Kernan Orthopaedics and Ashman's Hope for sponsoring this event as well as Starbucks, Sams Bagels, Wegmans, Sams Club, Superfresh, Giant and Safeway for providing food and supplies for the event. A special thanks to our wonderful volunteers without whom this event would not have been possible!

We hope to see you in 2008 for another run on the Trail! Please check out the great photos from the Xterra Gwynns Falls Trail Run.
